

AFFIDAVIT OF INTENT TO STORE MATERIALS

I, _____, having first been warned and sworn make the following assertions:

- 1.) I am the bidder on a contract solicitation from the Dayton Metropolitan Housing Authority for construction upon property known as _____.
- 2.) I have prepared a bid upon the said contract solicitation.
- 3.) I have included in my bid price the costs which I anticipate incurring for the Storage of Materials either on or off the construction site. My estimated expenses were made with knowledge of the requirements mandated by the construction contract for Stored Materials.
- 4.) I intend to store materials during the performance of the contract should it be awarded to me.
